Workshop 3: Our Choices

Christine

My name is Christine I am 14 years old and live in a camp for displaced people in Haiti. An earthquake destroyed my home and school. I am the only one in the family that goes to school. My mother can't afford to send my brother or sister.

"Education is the one thing going well in my life at the moment. I feel very, very sad that I go to school and my little sister doesn't, I try to teach her what I've learned every evening when I come home from school."
